Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.

Orion Publishing Co, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Sookie doesn't have that many relations, so she hated to lose one - but of all the people to go, she didn't expect it to be her cousin Hadley, a consort of New Orleans vampire queen - after all, Hadley was technically already dead. But she is gone, beyond recall, and she's left Sookie an inheritance - one that comes with a bit of a risk - not least because someone doesn't want Sookie digging too deep into Hadley's past - or her possessions. Sookie's life is once again on the line, and this time the suspects range from the rogue werewolves who have rejected Sookie as a friend of the pack to her first love, the vampire Bill. Sookie's got a lot to do if she's going to keep herself alive. The Sookie Stackhouse books are delightful Southern Gothic supernatural mysteries, starring Sookie, the telepathic cocktail waitress, and a cast of increasingly colourful characters, including vampires, werewolves and things that really do go bump in the night.
