The Lone Ranger and Tonto ride once again in this classic western tale set against the cruel backdrop of winter on the badlands of North Texas. Acting alone, the Ranger takes it upon himself to stand in the way of Kiowa war parties who have broken from their reservation in Oklahoma. If the renegades make it far enough into Texas and meet up with their Comanche brothers, then the entire Lone Star State will become a battlefield! Gunfights, chases, packs of wolves, murderous Comancheros, cavalry charges, daring escapes, treachery, and the wildest animal ever to roam the Wild West all feature in this ripping yarn of frontier justice with the most famous fictional lawman of them all. Chuck Dixon has written most of comic books legendary characters from Batman and Robin to Superman and the Punisher.
