## DAVID HOCKNEY: THE BIOGRAPHY, 1937-1975

Nan A. Talese April 2012, 2012. Hardcover. Book Condition: New. Drawing on exclusive and unprecedented access to David Hockney's extensive archives, notebooks, and paintings, interviews with family, friends, and on Hockney himself, Christopher Simon Sykes provides a colorful and intimate portrait of one of the most influential artists of the twentieth century. Born in 1937, David Hockney grew up in a northern English town during the days of postwar austerity. By the time he was ten years old he knew he wanted to be an artist, and after leaving school he went on to study at Bradford Art College and later at the Royal College of Art in London. Bursting onto the scene at the Young Contemporaries exhibition, Hockney was quickly heralded as the golden boy of postwar British art and a leading proponent of pop art. It was during the swinging 60s in London that he befriended many of the seminal cultural figures of the generation and throughout these years Hockney's career grew. Always absorbed in his work, he drew, painted and etched for long hours each day, but it was a scholarship that led him to California, where he painted his iconic series of swimming pools. Since then, the most prestigious galleries across the world have devoted countless shows to his extraordinary work. In the seventies he expanded his range of projects, including set and costume design for operas and experiments with photography, lithography, and even photocopying. Most recently he has been at the forefront the art world's digital revolution, producing incredible sketches on his iPhone and iPad, and it is this progressive thinking which has highlighted his genius, vigor and versatility as an artist approaching his 75th birthday. In this, the first volume of Hockney's biography, detailing his life and work from 1937 - 1975, Sykes explores...
