POESIAS PARA TODOS (PAPERBACK)

Palibrio, United States, 2013. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****.Cuando las especies se adaptan a su medio, las especies aprenden a conocer su medio y por lo tanto se crean limites entre ellas, al hombre igual, pero mas sintetizado en una quimica, llamese neuronas, dendritas o sistema nervioso, en un vocabulario o con unos conceptos menos cientificos o dificil de concretizar, las especies en la medida correlativa a su complejidad estructural, sienten para interpretar correctamente su aprendizaje. Que mejor comunicacion para armonizar o equilibrar, las distintas diferencias humanas y de intereses, que la Poesia, la Novela, el Humor? si cuando de intereses se habla. Siempre existen desarmonias. La interiorizacion intima, no puede ser una formula matematica, y menos para poder entender a ninos, cuando ellos solo hablan con la sonrisa, el lloro, el abrazo sincero los ojitos chispeantes de alegria. Por esta misma razon hay tantos poetas, pintores, musicos, deportistas, aventureros.porque se hacen sociables con la alegria o el llanto del otro a traves, muchas veces de lo ya sentido por uno mismo, no por lo aprendido con una formula, aunque tambien necesitemos de ellas, el hombre se une con alegria o para llorar a traves de lo que siente. Un cuadro, una cancion, un partido, un chiste, una poesia, una novela siempre se puede superar, una formula quimica-matematica-fisica, cuando es correcta con lo que expresa, ya no se puede poner en duda se cumple su verdad, ya no hace falta seguir hablando la comunicacion de los sentimientos, se ha terminado, para que seguir.
