Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

He was a most worthy and honourable man. He became deranged in intellect and died in the prime of life, respected by all who knew him. Benjamin Martin, an optician and author already referred to, had a shop and lived many years in this street. The long list of his publications--more than sixty volumes, all of which were eminently useful, and many of them popular, specified in Watts s Bibliotheca Britannica --show that he must have been industrious and scientific; but also prove how fleeting and evanescent is literary fame. John Major lived on the south side of Fleet Street, for some years, having removed from No. 71, Great Russell Street, Bloomsbury. He was much respected by a numerous circle of booklovers and book-buyers, and particularly by the followers and disciples of Isaac Walton: by artists, poets, and the friends of the three. A poet, himself, and fond of books, not only as articles to impart good counsel, and the most disinterested and wholesome advice, he was constantly in their company. His shop was well stocked with some of the choicest, and he successively published, with useful and discriminating notation and fine embellishments, Walton and Cotton on Angling; the Physiognomical Portraits, 100 heads beautifully engraved with Biographical Sketches, 2 vols, large 8vo., and large 4to. 1824; Robinson Crusoe, designs by Stothard; Hogarth Moralized, by the Rev. Dr. Mavor; Walpole s Anecdotes of Painting, in 5 vols. imp. 8vo., 1835; The Cabinet Gallery of...
