Excerpt from A Testimony to the Free Grace of God Have not all professing Christians, it may be asked by some, made it their business to settle the question Whether or not they are in reality Christians? May it not be affirmed, bf at least the great majority of our friends and neighbours, in a land like this, where all are baptised into the name of Christ, and have been instructed from early youth out of the pure oracles of God; that they have sought with all sincerity and good faith to know how far they bear the marks of Christ s genuine disciples? We are constrained to reply, indisputably not. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
