John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Essence of Reality: A Clear Awareness of How Life Works, Thomas Daniel Nehrer, "The Essence of Reality" is the most perceptive, exacting look at the flow of Reality ever. Rarely has a human glimpsed beyond the confines of the self-aware mind to see the interactive flow of mind-value into Reality. Thomas Nehrer here goes beyond a glimpse to specify that flow, depicting Consciousness explicitly. "The Essence of Reality" illustrates that all of one's life - health, success, authority, abundance - reflect one's inner nature, leading the reader to see exactly how that works. It gives explicit tools for delving into limiting mindsets to accomplish real change."The Essence of Reality" views life from four angles: one presents perspectives on Reality from the standpoint of "Clear Awareness", without the veil of distorting beliefs. Two considers healing disciplines, exposing their limitations, detailing how it is the Inner Journey, eliminating inner roots, that can heal outer problems. Three warns of hazards along the path. Four exposes philosophical and scientific notions of western thinking and how these have become distorted through time and translation.
