*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Seven Days of Rage: The Deadly Crime Spree of the Craigslist Killer, Paul LaRosa, Maria Cramer, When Manhattan model and masseuse Julissa Brisman went to meet a client at a luxury Boston hotel, she thought she'd be leaving the hotel with enough money to buy her little sister's school books. But Philip Markoff, the 22-year old med student who hired Brisman on Craigslist, had different plans. On April 14, 2009, guests notified management of a woman screaming on the 20th floor, and Brisman was found in a pool of blood, with several bullet wounds to her torso and a plastic restraint around her wrist. The hotel's surveillance cameras captured Markoff's image and an additional tip-off led police to follow him for several days prior to his arrest. Markoff is believed to have also assaulted and robbed several other women, including an armed robbery and kidnapping of a prostitute who was tied up at another Boston hotel on April 10 and the assault of an exotic dancer in Rhode Island on April 16, both of which bear remarkable similarity to the Brisman murder. Markoff was arrested by Boston police on April 21 and is being held without bail. The investigation is ongoing.
