Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Mr. President: it would be evidence of insensibility on my part if in opening the discussion upon the important questions with which we are to deal I should fail to express my sense of the novelty, the importance, and the dignity of the case, and of the high character of the Tribunal which it is my privilege to address. You, Mr. President, in acknowledging the honor conferred upon you by your election as President, expressed in appropriate language those aspirations and hopes which are excited and gratified by so signal an attempt as this to remove all occasion for the employment of force between nations by the substitution of reason in the settlement of controversies. I beg to express my concurrence in those sentiments. Nor should I omit a grateful recognition of the extreme kindness with which the agent and counsel on the part of the United States Government have been received. Not only has this magnificent building with all its appliances been freely offered for the deliberations of the Tribunal itself, but every aid and assistance which we as counsel could desire have been freely extended to us. We recognize in this a fine and generous hospitality, worthy of France and her great capital - the fair and beautiful capital of the world. Mr. President, in reference to the statement which was made by my...
