Workman Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Indestructibles are energetic, beautiful, and created just for baby. The printing material reproduces colour artwork with uncommon depth, and with no residual inkiness. This title features artwork and paintings by Kaaren Pixton. The work is reminiscent of Eric Carle. Each page features a simple, colourful image of an animal or bird or insect against a rich, textured background. The effect is 3D-like and completely visual. There are no words, making each perfect for parents and babies to look at together, with mom or dad telling the story. Three titles launch the series: Creep! Crawl! about animals that crawl, Flutter! Fly! about animals that fly, and Wiggle! March! about farm animals - books babies can really sink their teeth into.
