

Stacey Coolidge's Fancy-Smancy Cursive Handwriting (Highlights Character's Handwriting Difficulty and Creative Writing Strength) (Adventures of Everyday Geniuses)

By Barbara Esham. Illustrated by Mike Gordon

Mainstream Connections, 2008. Hardcover. Book Condition: New. "From Mrs. Thompson (the teacher), to Frederick, (the class guinea pig), everything about second grade seems good to Carolyn. But when the class starts practicing the slants and curves of cursive writing, she finds it difficult and her happiness evaporates. Detailing her frustrations and contrasting her struggles with a classmate's easy success, this picture book reflects experiences familiar to many young students. Carolyn's sympathetic teacher puts things in perspective, telling her that when it comes to writing, ideas and emotions are much more important than slants and curves. Designed to encourage children, books in the Adventures of Everyday Geniuses series tell stories of students who struggle in some respects, while excelling in others. Bright with colorful washes, the cartoonlike drawings clearly express the characters emotions. Given the pressure to introduce cursive writing to younger students, this picture book will resonate with a growing number of children."--Booklist Author Barbara Esham was one of those kids who couldn't resist performing a pressure test on a pudding cup. She has always been a "free association" thinker, finding life far more interesting while in a state of abstract thought. Barbara lives on the East Coast with her...

Reviews

Extremely helpful to any or all category of individuals. It really is rally fascinating throgh studying time period. I am just quickly could possibly get a pleasure of reading a composed ebook.

-- **Lawrence Keeling**

This publication may be worthy of a read through, and a lot better than other. It is among the most incredible book we have read through. Your daily life period will be change when you total reading this article publication.
