Reviews

A superior quality book and also the font employed was fascinating to learn. I could possibly comprehended almost everything using this created e publication. You wont sense monotony at at any time of your respective time (that's what catalogs are for about should you ask me).
(Lucile Morissette)

THE DEFINITIVE JOURNALS OF LEWIS AND CLARK, VOL 7: FROM THE PACIFIC TO THE ROCKIES

Unp - Bison Books. Paperback. Book Condition: New. Paperback. 383 pages. Dimensions: 9.0in. x 6.1in. x 0.9in. Since the time of Columbus, explorers dreamed of a water passage across the North American continent. President Thomas Jefferson shared this dream. He conceived the Corps of Discovery to travel up the Missouri River to the Rocky Mountains and westward along possible river routes to the Pacific Ocean. Meriwether Lewis and William Clark led this expedition of 1804-6. Along the way they filled hundreds of notebook pages with observations of the geography, Indian tribes, and natural history of the trans-Mississippi West. After a rainy winter, the Corps of Discovery turned homeward in March 1806 from Fort Clatsop on the mouth of the Columbia River. Detained by winter snows, they camped among the friendly Nez Percés in modern west-central Idaho. Lewis and Clark attended to sick Indians and continued their scientific observations while others in the party hunted and socialized with Native peoples. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
