

## An Historical, Environmental and Cultural Atlas of County Donegal (Hardback)

By -

Cork University Press, Ireland, 2013. Hardback. Condition: New. Language: English . Brand New Book. This atlas consists of around ninety articles from over fifty contributors covering a wide range of topics that are central to the cultural and natural heritage of Donegal. While the county has received a considerable degree of attention from historians and archaeologists in the past, there has been no one major work to bring together the great diversity of material written about the county's history, landscapes and people. After decades of neglect and indeed misrepresentation this atlas seeks to literally put Donegal on the map of contemporary Ireland. Contributors are drawn from a wide range of academic disciplines and interests. They include established authors and academics, as well as competent local scholars whose work merits publication. The editors, who have also contributed very substantially to the volume, have sought to raise the bar in regional studies in order to set a high standard of scholarship, and writing, to make this a volume that will be consulted by those interested in the history and heritage of the county for many years to come. Thus contributions range from short pieces of 1500 words, to specialised chapters of...
