Reviews

This ebook might be really worth a go through, and much better than other. I have got study and i am sure that i will going to study again once more in the future. You will not feel monotony at at any moment of your own time (that's what catalogs are for regarding in the event you request me).
(Krista Lindgren)

DO S AND DON TS OF YESTERYEAR: A TREASURY OF EARLY AMERICAN FOLK WISDOM (HARDBACK)

Dover Publications Inc., United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. A delightful mixture of early American know-how and good old-fashioned gentility, Eric Sloane's Do s and Don ts captures the spirit of bygone America in words and pictures. Combining two of the beloved folk historian's nostalgic how-to guides, this collection offers vintage, homespun advice that recalls the joy of doing things not just the old-fashioned way, but plainly the right way. A shining historical gem, this little book of American lore recalls a more kindly, less hurried time. Lovingly gathered by Mr. Americana himself from colonial-era almanacs and diaries, hundreds of brief reflections spread time-honored wisdom on everything from curing hiccups, lighting a proper fire, and mending clothing and furniture, to predicting the weather, making soap, and getting rid of ants, bees, swallows -- and boring houseguests. Sloane's evocative drawings add the perfect finishing touch.
