Write for You, LLC, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When long-time friends Cat Leigh and Marci Welles become partners in the Palm Beach County Sheriff s Office Homicide Division, the pairing seems preordained. Since freshman year of high school, the two women have been best friends. Where Cat is a New York sophisticate, tall, blond and beautiful, Marci is a West Virginia mountain girl - short, dark haired and pleasingly plump. Both are quick witted and known for their irreverent sense of humor. The women have repeatedly impressed their peers by their ability to read each other s minds. Called to the scene of a possible murder on a closed beach, Cat and Marci discover the victim is a lifeguard who was loved by many women and hated by many more. The investigation reveals that, at least, 800 women have been laid and played by the victim and each is a willing subject in a book his ex-wife has written about her years of marriage misery. At the same time, a series of rape/murders takes over the headlines. As Cat is a rape survivor, her perspective is a valuable part of the investigation. Eventually, it becomes clear that Cat s rape and the rape/murder of the recent victims are intertwined. **Through Thick and Thin** is a character driven crime novel in the style of Mickey Spillane. The story is based on the real life friendship between two strong women-one a rape survivor and the other the CSI who helped to capture her best friend s attacker.
