Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

(Dr. Lukas Hills DDS)

CICLOS (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****.Hay cosas tan logicas para lo vasto que es el universo y que son tan ilógicas para la comprensión humana. El ser humano solo considera logico lo que puede entender o lo que conoce. Ciclos es la historia de un hombre y su familia que logra entender lo logico que es el universo ante lo esceptico del mundo. Juan logra descifrar los ciclos que hay en la naturaleza para entenderla, para saber que el universo no es tan complejo, lo dificil es romper el paradigma de creencias arraigadas que tenemos por miles anos y que evitan que el sentido comun logre descifrar el comportamiento de cada ser de la naturaleza. Pero lo mas impactante de la novela es que de una forma muy sencilla, muy clara, muy logica nos hace dudar de la ciencia existente, nos hace pensar en que los seres vivos no son solo los que conocemos hasta nuestros dias, sino que cualquier cuerpo en la naturaleza puede ser parte de ese ciclo de la vida en el universo.
