Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Experience Travel Guides, the guides the Travel Industry trusts, are unique in that they are designed to be read in the same way as a novel. They are a valuable resource for those planning to visit a destination, a source of information for those just interested in finding out more about a country or city, and a pleasure for those armchair travelers who just enjoy a good read. Experience Istanbul highlights the more rewarding parts of the city so that those planning a visit can quickly and efficiently plan an itinerary. We locate and detail the best places to see and the top experiences to enjoy, and recommend accommodation options in all areas. All are based on the personal experience of the author. We capture the personality and the underlying cultural and historical significance of the city and the surrounding areas. We explore the wonderful mosques, churches, and museums of the Old City, the shops, restaurants, and nightspots of the Beyoglu area, the fascinating Asian Shore where tourism is very secondary to normal life, and the Bosphorus which for some is the city's unsung highlight. Suggestions are also made for day and extended tours outside the city. In the process, we meet friendly, helpful people, buy fascinating handicrafts, eat tantalizing cuisine, and enjoy charming hospitality. As more people travel to new destinations, guidebooks grow in importance. Hard-copy books, however, are often out of date before they are printed and users are frustrated by experiences contrary to what is described. This book has no such problem as it was updated in December 2017 and can be updated as often as necessary to keep it right up to date. Some people believe...
