

# The Critical Mind: Make Better Decisions, Improve Your Judgment, And Think a Step Ahead of Others

By Zoe McKey

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 184 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Are you often cheated, tricked by others? Do you wish you could think faster and spot logical inconsistencies and lies better? Wish to influence others more? If you want to become a logical thinker instead of an irrational, snap-judging one, this book is for you. Critical thinking skills not only turn you a more logical thinker but also strengthen your decision making muscle, speed up your thinking process, and help you spot thinking errors of others easily. The Critical Mind offers a profound introduction to the rules and principles of critical thinking, giving tips and tricks how to acquire this skill quickly and efficiently. You will find broadly usable and situation-specific advice on how to approach critically your private life, business, friendships, politics, social media, and others. Critical thinking not only saves you time, but often saves you money, helps you prevent tragedies and disappointment, and accumulate resources quicker. Learn what are the main parts of critical thinking. The theories and practices of the best critical thinking experts of the world. Tips to keep your brain in good shape, receptive...
