## Beyond the Line

By Sebastian Prange

Neofelis Verlag GmbH Apr 2014, 2014. Buch. Condition: Neu. Neuware - The title of this book refers to the imaginary Line drawn between North and South, a division established by the Peace Treaty of Cateau-Cambrésis in 1559. This is an early modern time and Eurocentric construction, according to which the southern oceanic world has long been taken as symbol of expansionist philosophies and practices. An obvious motivation for changing this Line division is the growing influence of the Global South in the contemporary economic and political setting. However, another motivation for changing opinions in regard to the Line is equally important. We observe an emergent consciousness of the pivotal role of the oceanic world for human life. This requires the reformulation of former views and raises numerous questions. A diversity of connections comes to the mind, which demands the composition of a catalogue of case studies with an oceanic horizon. Through this operation, different problems are being linked together. Which problems encounter historians with their research on fishes in the archives How to trace records about pirates of non-European descent in the Indian Ocean Which role play the Oceans as mediators for labor migrations, not only of the Black Atlantic...
