Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Waters of Edera It was the season when the flocks are brought through this lonely land, coming from the plains to the hills. Many of them passed on their way thus along the course of the Edera water. The shepherds. Clothed in goatskin. With the hair worn outward, bearded, brown, hirsute men, looking like savage satyrs, the flocks they drove before them travel-worn, lame, heart-broken, the lambs and kids bleating painfully. They cannot keep up with the pace of the flock, and, when they fall behind, the shepherds slit their throats, roast their bodies over an evening fire, or bake them under its ashes, and eat them; if a town or village be near, the little corpses are sold in it. Often a sheep dog or a puppy drops down in the same way, footsore and worn out; then the shepherds do not tarry, but leave the creatures to their fate, to die slowly of thirst and hunger. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
