Houghton Mifflin. Paperback. Book Condition: new. BRAND NEW, Anastasia off Her Rocker, Lois Lowry, Anastasia's got a problem: Her parents have become too embarrassing to be around. At first she blames them, they are the source of embarrassment, after all. But then she decides it's herself, her thirteen year old, hormone-ridden self. She has clearly become a seriously disturbed person, and she needs help, psychiatric help. But nobody else seems to think her condition is that serious, especially not her parents who don't think she needs to see a doctor. They think what she's going through is perfectly normal. Undeterred, the resourceful Anastasia takes matters into her own hands, as she secretly undertakes a course of therapy with the most famous analyst of them all.
