Curry Burn Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.B. Elwin Sherman is a humorist/author living in the New Hampshire North Country, where he writes a syndicated humor column and often reinvents the cottage industry survival kit. His books have gone largely unheralded, because I do nothing to promote them. No one should ever have a legacy before they re dead. Life is embarrassing enough without that. He first read Richard Gary Brautigan s works in college, when everyone else was lugging around Nietzsche and Kant for ballast. I kept In Watermelon Sugar in my hand because there was a tsunami on the horizon, and there I was without a beach umbrella.
