What Is a Food Chain?

By Bobbie Kalman

Crabtree Publishing Company, United States, 2011. Paperback. Book Condition: New. 193 x 190 mm. Language: English . Brand New Book. This clear, simple book introduces children to the concept that living things need energy, and energy comes from food. Starting with an introduction to photosynthesis, children will follow along the food chain as the energy flows to herbivores and carnivores. A diagram, using photos of plants, a rabbit, and a fox, demonstrates a food chain. A detailed illustration of a forest food web follows.

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
