Winter Solstice and What Follows: A Winter Collection of Poems (Paperback)

By MR Ryan Fredric Steinbeck

Ryan Fredric Steinbeck, United States, 2014. Paperback.
Condition: New. Language: English . Brand New Book *****
Print on Demand *****. Winter Solstice and What Follows is
Ryan Fredric Steinbeck's ninth collection of poems, and third
publication in 2014, following *RISES IN THE EAST*, and *SETS IN
THE WEST*. *SOLSTICE* is a holiday inspired, lighthearted
celebration set around Christmastime and the holiday season.
The author stays true to his previous collections in that his
poems are not directly holiday or Christmas focused, but it still
captures the spirit of the holidays without being too trite or
crossing into overly traditional holiday fair. Though one poem,
Christmas Morning is admittedly a childhood memory. Topics
include experiences through the eyes of a squirrel, a toy, an
emerging Santa Claus competitor stationed in the South Pole,
and even Santa Claus himself. Overall this collection embodies
the feelings of excitement, appreciation, and wonder toward
the season and the ones with whom we choose to share it.
